Treasurer's Report

Results of the November event – we netted approximately \$6000.00 when all was said and done. There was a total of \$12,005 in raffle ticket sales. The current balance in the checkbook is \$13,481.00 – with approximately \$4000 in expenses still out waiting to be reimbursed.

Old Business

New Orleans – while in New Orleans we were informed that we have a new WCR logo – which is not yet available to us. There is also a new ad campaign for 2007 – everyone received a CD with a 1-2 minute commercial. Our President purchased a roll-out banner for future event luncheon meetings.

Membership

Renewal bills will be mailed on December 13, 2006 at 5:00 pm at Julie's office. Our joint meeting with OWLS proved to be an excellent resource on many levels. We not only expanded the reputation for WCR to other industries, but we acquired speaker resources, and publicity resources. Time well spent. Our current membership total for the Portland Area Chapter is 152 members, with 86 national members. There will be an orientation on the 7th of December, location TBD. New members will be inducted at the December luncheon event.

New Business

The State Orientation in Eugene was discussed. We will have great representation present as all 2007 line officers are attending, in addition to the current (2006) President. Our current state membership is at an all time high of 313 members – with a chapter opening in Roseburg this coming year. Portland chapter will provide a basket donation for the State silent auction.

Meeting adjourned at 10:05 am
